

NW Dallas APA Masters Division

Fall 2021

Tuesday Wizard's Sports Café

NOTE: The top 5 finishing players in Masters are invited to the MVP Tournament. To qualify for the MVP Tournament players must play 6 times during the regular session.

NOTE: This report reflects points based on a player shooting only once in any team match.

Since a team/players should not be penalized for allowing another team to play someone twice, when a player shoots twice in a team match, the lowest score is discarded and the highest score is used. Therefore, no player is able to earn more than 7 points in any team match.
